Letter from the Editor

Dear Islanders,

It is that time of the year where we say goodbye to the past 12 months and welcome the New Year's with new hopes and resolutions.

Before we do, we would like to take this opportunity to inform you of all the fun events happening around the islands. The Lagoon has been bustling the past month as our visitors enjoy the lovely weather. This month will see the return of The Lagoon Shopping Nights, so check page 6 for more details on the event.

Secondly, if you haven't had

a chance already, check out the newly opened Frangipani restaurant here in Amwaj with an outdoor terrace overlooking the beautiful Amwaj Marina setting. Frangipani is the first of many more restaurants to come along the Amwaj Marina walk, so stay tuned for updates.

Finally, we end this note with a Merry Christmas for those who celebrate and a very Happy New Year's to everyone from all of us here in the Amwaj team.

We hope you enjoy this issue.

Sincerely,

The Amwaj Team

SEASON'S GREETINGS

How did you start? I started my career in 1996 with Americana in Beirut. From there, I moved to Qatar and then Bahrain where I managed different concepts and cuisines such as Oriental and International. This path has led me to where I am today, here in Second Cup.

Tell us about Second Cup. Second Cup stands out from other cafés due to the sophisticated premium café and the ambience provided to guests. Warm, comfortable yet modern and contemporary, rich and textured, familiar yet global create the relaxed atmosphere. Second Cup café is a place that consistently delivers comfort and luxury, where our customers go when they want to indulge in a special treat or take some time to reconnect. The rich aroma of freshly brewed coffee takes over the senses coupled with a sense of

belonging and connection. Guests always feel relaxed, rewarded and appreciated by people who are committed to caring.

How does Amwaj provide the perfect setting? Due to the beautiful geographic landscape of the islands and the extensive family residences that caters to a family friendly environment, parallels the Second Cup Café standards of luxury and comfort. In addition to the utilities and services provided, the Islands provide a warm vibe that is welcoming to both residents and visitors from outside Amwaj.

What makes Second Cup different? We pride ourselves on our point of difference, that is, "a premium coffee café experience in a sophisticated premium café environment."

Any new upcoming projects for Second Cup? We have a variety of new tastes and flavours of hot drinks for the winter season, so make sure to try them all the next time you stop by. We are also working on a second branch, which will

hopefully be open soon at the Bahrain Airport.

Can you tell us a little about your family and how you like to spend your spare time? I'm here with my wife and son. Due to our busy schedules, we make sure that on weekends we make spend quality family time together.

Any other thoughts you would like to add? On a final note, we are very excited to have Second Cup in Bahrain and the attraction it has received so far. We look forward to growing and contributing even more to this beautiful country.
