The Amwaj Islander

Letter from the MD

Dear Amwaj Islanders,

Time really does fly when you're having fun and, on the islands, it feels like only yesterday when we rang in the New Year. It's been an eventful year for Amwaj, with its series of Amwaj Marina Markets, the annual Triathlon in May, Lend a Helping Hand Charity Drive in July and, the Bahrain Boat Show International (BBSI) just last month.

Our monthly Amwaj Marina Market is back in full swing with the second season having commenced last month. We're looking forward to bringing you the next edition on December 10th. Don't miss out on the market as each event gets bigger and better with surprises for the whole family. For any queries, or more information on the market, please feel free to call 16030605 or 16030607 Sunday to Thursday between 8am to 5pm or alternatively email info@amwaj.bh

I would also like to take this opportunity to thank everyone who has made the Boat Show a success. This event would not be what it is without its visitors and exhibitors. We look forward to seeing you all in next year's event!

December is a festive month for the island, with National Day on the 16th and Christmas and New Years later on. Everyone will have a reason to celebrate and on this occasion, we would like to wish all of you a Happy National Day and Happy Holidays. Looking forward to a bigger, better, prosperous 2012 on the islands.

Sincerely,
Jameel Almatrook
Managing Director, Amwaj Islands

Behind the Name Safeena

A fitting name for this development, 'Safeena' is the Arabic word for boat or ship. This development sits on the edge of Asdaf Island overlooking an azure-blue lagoon, enjoying picturesque views and direct access to the water as well as amenities such as a swimming pool, private car park, terraces, and 24 hour security.

A close-knit community of eight grand and luxurious villas that effortlessly fuse Islamic architecture with modern aesthetics, giving residents a fulfilling experience of living among the best of both worlds of tradition and modern practicality. The development was completed in 2006 and was developed by Al Saraya Properties W.L.L, which was founded back in 1999.

60 Seconds With...

Name: Amitabh Mathur

Position: Managing Director,
Gama Hotel Management

Tell us about yourself and your work background. With over 20 years of successful hospitality management experience in hotels, resorts, serviced apartments and restaurants in the Gulf region, my background is extensive and varied. It encompasses various facets of the hotel industry such as the pre-opening and construction phases, multi-unit management, with a broad exposure to the specific demands of the Middle Eastern markets. Having worked in Goa, Delhi, Bombay, Dubai and Bahrain, my knowledge and experience in project development and operational standards have been enriched.

How did you start working on The Dragon Hotel & Resort? We started working on The Dragon three years ago. The challenge was to ensure that The Dragon, as a resort, could offer guests the convenience of luxury hotel living while providing them with all the comfort of their own home.

What makes The Dragon Hotel & Resort different than other boutique hotels in Bahrain? The Dragon is situated in the azure waters of Amwaj Islands, a location that is ideal to meet the demands of your social, business and leisure lifestyle, and where you would find exceptional standards of food, services and accommodation, coupled with an over-water living experience. Whatever our guest desires or needs, the personal butler is there to make sure that everything is taken care of down to the finest detail. Prior to their arrival, information is sought after to include any special indulgences that they may need or desire; maybe a personalized chauffeur, catering to a perfect evening. From the moment our guests check in, to the moment they check out, our staff are devoted to ensure a magical experience for them and their families.

Good Food. Good Cheer. Good Times.

Corners, the first pub to open in the beautiful Amwaj Islands, is a place to socialize and unwind whilst enjoying the latest in live sports, bands and DJs including resident DJ Stevie George.

Corners is just what you would expect from The Dragon Hotel & Resort - a classy upmarket pub with its sleek lines and funky interior. With a diverse selection of food, including traditional pub grub like steak, kidney pie and bangers & mash - to name a few - as well as international classics to treat the taste buds, it is your ultimate gastropub.

Situated in The Dragon Hotel & Resort, Corners is 'your local pub in Amwaj'. You'll never miss a moment of your favourite games as they are shown live stream on multiple screens and three projectors. There will also be live bands performing monthly to entertain the crowd, with DJ Stevie George providing the warm up sessions.

Taxis are easily available. For groups of four or more, a complimentary taxi service is available only to residents of Amwaj, when booked in advance. For more information, please call 16 033 833

What are your preparations in The Dragon for the New Year and Christmas? Muju Restaurant & Lounge will have a Christmas brunch with sumptuous food and roaring log fires. While Corners, our new sports bar, will have a special menu designed for families and friends. New Year's will witness an exclusive performance by artists who will be flown out of Spain this year.

What is your vision in 5 years from now for business in Amwaj? Amwaj Islands has become a landmark for luxurious living. The last three years have witnessed constant positive changes with more hotels, the ongoing development of The Lagoon, and business corporate office shifting. At the same time, we are not too far away from the commercial districts with proximity distance to the Bahrain International Airport and approximately 15 minutes drive to City Center.

What is your favourite project in Amwaj Islands other than The Dragon? I personally like The Lagoon and The Renaissance Hotel. Both look nice.

Can you tell us a little about your family and how you like to spend your spare time? My wife is employed as a General Manager of a hotel company in Bahrain and my daughter is in school. I enjoy watching sports and I am fond of reading too.

Amwaj Marina Market Kicks Off!

The first outdoor Amwaj Marina Market for 2011 was held on November 12th in the stunning Amwaj Marina. The market attracted over 800 visitors, throughout the day, of various nationalities from around Bahrain.

Families enjoyed the great weather and the stunning views of the Amwaj Marina as ACES Taekwondo School preformed several shows throughout the day. The little ones enjoyed the bouncy castle and kiddie rides as well as 'Once Upon a Story Time' and art & craft stations by 'Studio Ceramics' and 'Imaginarium Art'. Clean Beaches Campaign to Kick-off on Amwaj Islands this December, 9th

Over the last 30 years, pollution has aggravated the seas and coasts of the planet due to the generation of 6.4 million tons per year of waste dumped in the oceans of the world, 80% of which originated on land. In light of this, a group was formed within Amwaj called 'Eco Island'. The group aims to do something about the environmental situation on the island, and the first message being promoted is 'at the beach, only leave your footprint on the sand'. Eco Island is starting a 'clean beaches' campaign on December 9th and they are asking everyone to join! Everyone will gather at 9am on the beach next to Kazerooni Villas, where the kite surfers usually gather. Trash will be collected and weighed at the end, where it will be disposed of appropriately. Overall, the campaign will serve as a platform to continue work to conserve the island's natural beauty for all to enjoy. Eco Island believes the new clean beaches campaign will allow the group to continue to make a difference; they want residents and visitors to take ownership by doing their part to preserve it. We hope everyone participates in this campaign. For more information, please email ecoislandamwaj@gmail.com or call 33 339 719

What attracted you to Amwaj? How long have you been living here? It was my life time dream to live on an island and it has now come true! We have been living here for the last 6 months- we really love it!

Can you tell us a little about what you do for a living? I'm a Civil Engineer and an Artist.

What is your favourite sea-related quote? It has to be: 'For whatever we lose (like a you or a me), It's always our self we find in the sea'. - e.e. cummings.

What are your top three destinations outside Bahrain and why?

Firstly, is my home town Baghdad. Secondly, Dubai, which is the best city for entertainment. Finally California where we can enjoy the best weather ever.

Where did you spend your last vacation? We spent it in Dubai.

If you get to choose one road/street/area in Amwaj and have the chance to pick a name for it, which one would it be and what is the name? I'm thinking of the name Mermaid or Mermaids maybe for a new area!

Can you share with us one or two cooking, gardening, decorating or other tip(s) on how you are taking care of your home.

My first advice is to manage time and use it wisely. For your home you can occasionally get fresh flowers, use colourful sheets in the bedroom, or on the dining table, to create a new look for the same room every day.

We hold charity events, where we donate proceeds to people in need. Which institute you would like us to support next time, where you feel they need the help the most?

Well, I don't have in mind a specific institute but I would recommend donating to organizations that help orphan children.

What is your favourite event that happened in Amwaj? The bazaars held in The Amwaj Marina and The Lagoon.

How can we improve our newsletter? I suggest dedicating one special page for advertisements for Amwaj's residents.
