# The Amwaj Islander

## Letter from the MD

Dear Amwaj Islanders,

The month of April whizzed by at Formula 1 speed! Thousands of visitors from around the world flocked to Bahrain International Circuit to experience the fourth race of the F1 Championship season. Consequently, visitors flocked to Amwaj Islands during this busy period to enjoy the various events and F1-related activities. Now that the checkered flag has gone down, we look forward to more activities on the summer months to come!

As temperatures continue to soar, we have lined up water activities for the entire family; you can find full details inside. As tempting as the activities may be, please make sure you protect yourself from the heat by wearing SPF and covering your head. Make sure you keep hydrated by drinking fluids throughout the day.

As you drive across the Islands, you will notice the completion of several projects. At the same time, construction of other projects has begun and we will keep you constantly updated on their progress.

For those of you who are getting ready to jet off your summer holidays, we wish you a safe journey and return to your home.

Enjoy this issue of The Amwaj Islander.

Regards,  
Jameel Almatrook  
Managing Director, Amwaj Islands

### Amwaj Marina's First Paddling Race

Amwaj Marina hosted the first paddling race of the season on April 14th at the Amwaj Marina Beach, which brought together the combined efforts of Amwaj Marina Surfski Club and the RCSI Bahrain Paddling & Volleyball Clubs. In perfect sunny conditions the students got the event off to a great start with surfski demos for beginners and entertaining beach volleyball action. A group of ten paddlers took on the first heat where it was a tightly contested race around a 1km course. Bryan Harris and Jeroen Van Willigen led the pack and proceeded to the final with confidence with their wives cheering them on from the beach. Omar Almitwalli and Ankit Kapur took the two other places open in the final. The second heat saw Andre Fouche and Declan Gaynor initially fighting for position before Declan, Andre, Peter Jenzen and Gulraiz Bajwa proceeded to the final. The final saw a pack of three, Bryan, Jeroen and Declan heading towards the first marker. Jeroen envisaged the potential for problems on turning the corner and attempted to establish some protocol but there was no time for negotiations and Bryan, on the inside line, took the initiative. That left Declan and Jeroen marginally behind and far too close to each other for comfort. A clash of paddles and then a brushing of boats resulted in Jeroen taking a swim while Declan looked on. The race then became a slog to the end with Bryan building a 12 second lead before the finish line. Omar passed Jeroen and maintained his lead to the end, while Jeroen recovered to finish in fourth before Peter, Ankit and Gulraiz. Following the racing, families and friends got a chance to test their balance and technique in the surfski before the presentation of the prizes provided by the sponsors, Fenn Kayaks and Amwaj Marina Surfski Club.

Amwaj Marina are now looking forward to a family day on Friday June 8th. The event is open to everyone with any sort of paddling craft, surfski kayak, standup paddle board, recreational kayak, or surf board. If it floats and you can paddle it, then bring it along for the fun and races. Everyone is welcome to bring their own barbeque and picnic by the beach. The event will have a community focus and a charitable goal. Amwaj Marina are currently looking for sponsors to help cover the costs of the event, volunteers to help bring novel ideas for games and activities for young and older kids, extra man power on the day, some local musicians that want to display their talents for their neighbours, and finally everyone in Amwaj to save the date in their calendars. Anyone interested in bringing their ideas and participation to the event please contact Declan Gaynor (36640272 [decgaynor@gmail.com](mailto:decgaynor@gmail.com)) or Ali Fardan (36260025 [a.alfardan@amwaj.bh](mailto:a.alfardan@amwaj.bh)) or visit [www.facebook.com/groups/amwajmarinasurfskiclub](http://www.facebook.com/groups/amwajmarinasurfskiclub)

## Safety & Security in Amwaj

In an effort to improve the control of maintenance personnel entering Amwaj we have decided to issue regular maintenance personnel e.g. Red Line, Ifix, with gate passes. We have contacted the companies concerned and asked them to provide their operatives' details. If, in an emergency situation, one of the team does not have a gate pass, or the company has not provided the necessary details, an emergency gate pass can be obtained from security. This must be signed by the resident on the completion of the work. The operative then returns it to security. It always helps if the resident calls security on 33085058 giving brief details of the situation and likely visitor. The resident does not have to come to the security barrier for maintenance personnel to gain access in an emergency. Residents should bear in mind that external electrical faults (i.e. not a house fault) are the responsibility of the local electrical authority whose emergency number can be found on your electricity bill.

For any questions, or more information, please call on 16 033 098 or 39 866 952 or email [k.manahi@amwaj.bh](mailto:k.manahi@amwaj.bh), or drop into the Osis office Sunday to Thursday 8am to 5pm.

Due to increasing traffic violations in Amwaj Islands, we are currently implementing new traffic arrangements to ensure compliance with driving safety and speed regulations. We kindly ask for your cooperation in making Amwaj Islands and its roads a safe place to be in.

For the safety of the Amwaj Islands community, please adhere to the 40km/hr speed limit. If you would like a copy of the Amwaj Islands rules & regulations, kindly send an email to [info@amwaj.bh](mailto:info@amwaj.bh).

Jet ski owners have to submit a picture of their jet ski along with the owner's address in Amwaj to the Security Department. Boat owners must submit a copy of their boat's registration.

**What attracted you to Amwaj?** It simply gave me the island life that I came to Bahrain for, that morning balcony breakfast with the soft sea breeze is irresistible in addition to the outside atmosphere of people walking their pets, and moms walking their babies. It felt like the perfect place to be; there is this certain feel of comfort the moment you pass through the main gate that makes you feel you could just stay here forever.

- How long have you been living here?** One year.
- What do you do for a living?** I am currently the Sales Manager at Bahrain Confidential Magazine.
- What events would you like to see happening in Amwaj?** Beach parties, and a bit more sea activities would be nice.
- How do you like to spend your free time in Amwaj?** By the beach, on the balcony or in The Lagoon. I can't stop promoting the Island to my friends.
- Which restaurant or cafe would you like to see opening in Amwaj?** It would be nice if there was something open directly on the beach, after all we live on an Island and don't get to spend time by the beach that much.
- What do you feel Amwaj lacks?** A proper public beach for all the residents with showers and facilities.
- In three words describe Amwaj.** Tranquil, warm, and green (not as green as we would want it but green enough for Bahrain).
